

Iain Forbes

Guitar Virtuoso & Singer/Songwriter

2021- New Album Release 'A Singing Birdbox'

Iain Forbes is considered by those who know of him as one of the UK's finest virtuoso guitarists and is often described as a world class guitarist. He has just released his new album 'A Singing Birdbox' in June 2021.

It features 4 full band production songs and 8 instrumental compositions with guesting instrumentation. There are 5 very talented musicians joining him in bringing this music to life. The songs are about life experiences, including his Pilgrims walk of the Camino Santiago in Spain, love and obsession in the track 'Ice Queen', alcohol addiction in the track 'The Thirst' and gratitude. Gratitude is about the simple things in life that Iain appreciates and touches most people on listening.

Iain has approached the songs and instrumentals on a track by track basis. Some have a light Jazz or Country/Americana feel about them, some have Violins, Strings and Classical and Folk influences. Some are big productions and some are stripped back solo acoustic guitar. The album covers a range of Acoustic influences including Chet Atkins, Steve Howe, Bert Jansch, Tommy Emmanuel, Nick Drake, The Beatles, Led Zeppelin and too many to name!

This is one of 10 diverse albums Iain has recorded over the past 10 years. For more details on other work he has done, go to the website listed below.

The album is available in CD format via his website www.iainforbes.com and is also available on all normal digital outlets such as iTunes and Spotify etc.

'Iain Forbes is one of the best guitarists to come out of Scotland in a very long time' - Tom Russell / World renowned Rock DJ.
